## TASTING NOTES

### 2007 Reserve Merlot

#### Colour:

Strong red/garnet hues typical of this variety are your introduction to this wine.

#### Bouquet:

Soft and slightly plummy in character, with a faint though persistent aroma of fine chocolate; hints of vanilla from the oak and overall a strong perfume of ripe red berries.

#### Palate:

A medium weighted style structured to show off the ripe berry flavours that underpin the complex but subtle palate. Freshness is the essence of the wine with only the berry character showing its dominance; the wines other flavours are there to add another dimension but not to detract from its overt enjoyment.

#### Sourced:

Picked 11<sup>th</sup> March 2007 from the sunny slopes of Silverstream merlot.

#### Bottled:

17<sup>th</sup> March 2009.

#### Winemaker:

John Wade from W.H.O. (Wade Hubbard Oenology)
